

## VISA 242 Introductory Ceramics 2

June 22 - August 5, Tuesdays/Thursdays

Instructor: Susan Brandoli eMail: [brandoli@shaw.ca](mailto:brandoli@shaw.ca)

Summer 2010

4:30 - 8:30

Phone:250-542-0499

### WEEK 4, TUESDAY, JULY 13 WORK SESSION

Continue Working on all projects currently underway:

- 6 thrown cylinders
- 6 thrown bowls
- **HANDBUILDING Part I: Cup & Saucer project - use any or all of handbuilding, throwing, extruding, etc.**
- **HANDBUILDING Part II: Larger Vessel or Sculptural Object: can be functional or sculptural**
- **Molds for slipcasting, MULTIPLES PROJECT**
  - Use of repetition, rhythm, variation to create either a sculptural work or a functional work
  - ✓ "Every feeling tends to a certain extent to become deeper by repetition" - J. Sully
  - ✓ Repeat a shape, colour, form, image or idea. Reiterate, echo, restate, or duplicate your reference subject in some way. How can you control the factors of occurrence, repercussion, sequence and progression?

### WEEK 4, THURSDAY, JULY 15 WORK SESSION

#### DEMONSTRATIONS

- Slides of Final Project **SPACE INVADERS(2 sections: Architectural/ Installation). Approaching the whole through a further exploration of multiples**

#### ● CHOOSE **ONE** ONLY:

- Construct ***EITHER*** a relief tile piece for the floor, the wall or a corner ***OR*** a free standing piece consisting of multiple objects

- ➔ The final project will consist of any combination of wheel thrown pieces, handbuilding using extrusions or slab or pinching, or cast objects. Consider how the pieces will attach to the wall, if a wall piece, or how the final presentation of the objects will affect the space. Consider how the piece will be finished - glaze, acrylic or oil paint, woodfiring, etc. Will it combine other materials (metal, wood, lights, etc.)?
- ➔ All completed SPACE INVADERS projects will be presented and installed in the gallery as part of the final grade.

#### ● FINAL DEADLINES

- ➔ All pieces ready for final bisque firing by Tuesday, August 3
- ➔ All bisque pieces ready for final Glaze firing by Tuesday, August 10
- ➔ Install in Gallery on Thursday, August 12

### FOR TODAY & TUESDAY, JULY 20

- Make appointment to see me regarding assessment of progress to date during work session.

- ➔ **QUIZ TUESDAY: August 3 - Short written quiz based on handouts.**
